This program is designed to offer your child both a social and fun educational experience. Your child will learn concepts through play, games, stories, songs, movement and other multi-sensory activities. Classroom centers foster imagination so each child can investigate hands-on at his/her own rate.

It will also introduces ideas and concepts that they will need in Kindergarten including numbers, counting, the alphabet, beginning pencil skills, cutting skills, color and shape names, comparative attributes, small and large motor development, and eye-hand coordination.

Children must be fully potty trained
