NOTES:

A. All applications which require review by professionals outside of the City Planning Department that bill the City for their costs (including, but not limited to, the City Engineer) will be billed to the project applicant at 100% of the cost, plus an administrative fee of 10% of the billed amount. A \$1,000.00 deposit is required.

** If two or more applications are submitted concurrently and are related to the same project, the highest cost application fee is charged at the regular initial fee and each additional application is charged at 50% of the regular initial fee. This excludes Conditional Use Permits associated with an Architectural Design and Site Plan Review.

1. A residential Conditional Use Permit if for signs, fencing, etc. in a residential zone district. This category does not include residential dwelling units.
2. A minor Conditional Use Permit is for an existing building / project site for which a permit is required for a particular use in that zone district and no exterior structural changes are made to the building.

3. A moderate Conditional Use Permit is for a project for which a use permit is required and where there are some exterior changes made to an existing building or site.
4. A major Conditional Use Permit is for a project requiring a Use Permit and an Architectural Design and Site Plan Review on an undeveloped parcel.
5. Annexation processing fee and deposit to be used towards staff time and materials and any State or LAFCO fees incurred. All annexation costs will be paid by the requestor.
6. Plus any fees charges for traffic control by PD, fire and street departments.
7. All fees and deposits are used towards staff time, equipment and materials.

HOW BUILDING AND PLANNING PERMIT FEES ARE USED

When you obtain a building or planning permit, fees will be charged to cover the cost of:

1. Plan checking in the office;
2. Field inspections before and during construction; and
3. Service and capital improvements in your neighborhood and the surrounding areas; and
4. Covers the time staff time spend in checking your project against the applicable Zoning regulations, such as land use, setbacks, and height; and for referencing General Plan maps detailing environmental concerns, such as stream beds, flood plains, rare and endangered plants or animals, and potential hazards from earthquakes or fires.
