

**CITY OF CALIFORNIA CITY
PLANNING COMMISSION MEETING
TUESDAY, April 16, 2024
@ 5:00 p.m.**

Housing Element Workshop

The City has been working alongside PlaceWorks, a consultant firm, since October 2023 to create an updated housing element report. After gathering and summarizing data from various departments, a draft report has been compiled. We cordially invite all council members, planning commissioners, and residents of California City to attend an informational session where we will discuss key findings from the data and provide an overview of the housing element. In addition, we encourage you to share your valuable input on existing housing needs and concerns. Your participation will help us create a better and more inclusive community. Please join us!

Amy Sincheimer, a representative from PlaceWorks, will be conducting the meeting in person.

Affidavit of Posting: This agenda was posted on all official City bulletin boards and the city website at least 72 hours prior to the Planning Commission meeting. *Planning Staff*
